WORK EXPERIENCE

May 2018 – December
2018

User Acquisition Manager AppLike GmbH – Hamburg, Germany

Full-time position supporting the Digital Marketing Team of one of the fastest growing AdTech companies in Europe, running diverse app-marketing platforms in 27 countries with a budget of over 2 million euros per year. Responsibilities include mobile performance marketing, business intelligence, creative optimization and project management.

September 2017 –
March 2018

Corporate Communications NXP Semiconductors Germany GmbH – Hamburg, Germany

Part-time position as a Working Student, supporting the External and Internal Communications Team of NXP in Hamburg, responsible for the distribution of information among 1,200 employees in Germany and over 31,000 world-wide. Tasks included editorial work for PR and agenda setting measures: press releases, Q&As and executive briefings.

Skilful knowledge of graphic design tools like Adobe Photoshop and Illustrator, editorial writing, CMS management (WordPress and SharePoint) and project management were required on almost daily basis.

September 2015 –
September 2016

Web Developer & Executive Assistant International Cultural Youth Exchange, International Office – Berlin, Germany

Part-time position as International Exchange Volunteer. During the year-long programme I built a brand-new website for the international branch of the organization, this task required expertise managing WordPress and understanding web programming languages like HTML, JavaScript and CSS.

Other assignments included editorial design of the organization's newsletter, elaboration of presentations, data analytics, PR and routine clerical and administrative functions such as answering correspondence and issuing certificates and insurances for our partners.

April 2014 –
June 2015

Community Manager 4am Saatchi & Saatchi – Tegucigalpa, Honduras

Full-time position as Community Manager of the AB InBev beverage and brewing company, which included the full responsibility over the digital presence of leading brands of soft-beverages of the Coca-Cola Company and national beers.

The position required the simultaneous coordination and management of campaign work for various brands, the creation of cutting-edge digital strategies and graphic materials and the analysis and benchmarking of digital marketing efforts, included paid media on different platforms.

November 2011 –
January 2013

Graphic Editor Laureate International Universities – Tegucigalpa, Honduras

Part-time position supporting the Graphic, Editorial and Creative Team of the world's biggest network of private universities. On a daily basis, I designed promotional and campaign materials for different universities of our network. I also managed internal and external communication newsletters and assisted in the handing of the company's websites and social media.
